Transport

Rolwarz would like to solve your problems in the context of logistics and transport.

We have isothermal rolling stock with -25/+25 degrees Celsius refrigeration units. The cars are adapted to transport food at a controlled temperature, along with a set of documents confirming the quality and ability to provide this service. We have cars up to 3.5 tons with a loading chamber of 8 EPAL and a ramp height.

Rolwarz's fleet also consists of trucks with a pallet capacity of 12, 18, 21 and 33 EPAL.

We approach each client individually, reliably and professionally.
